

# THE PERFECT PACKAGE COMPANY COLLABORATES WITH VICTORIA LAM VIRGIN TV BRITISH ACADEMY TELEVISION AWARDS.

The Perfect Package Company created an exclusive candle for the event. It had a scent of cinnamon and French vanilla housed in a recyclable tin container decorated with tweed.

In keeping with the British Academy of Film and Television Art 's (BAFTA) support of sustainability we used eco friendly products and curated a candle that was visually contemporary.

The candle was placed in the Victoria Lam official gift bag along with other renowned brands such as CARAT London and Taittinger Champagne then given to all the award nominees at The Royal Festival Hall. It was a very special event that saw awards go to Joanna Lumley as a fellow of BAFTA and the acclaimed Damilola Taylor - Our Beloved Boy drama. The Perfect Package Company are honored to support the Academy.
